This exploded perspective view illustrates the assembly of the vehicle interior trim. The components shown include:

- 11**: A rectangular frame or support structure.
- 12**: A decorative grille or mesh panel that fits into the frame 11.
- 17a**: A long, thin trim piece with a flange.
- 17b**: A trim piece with a flange, shown below 17a.
- 17c**: A trim piece with a flange, shown below 17b.
- 17d**: A trim piece with a flange, shown below 17c.
- 17e**: A trim piece with a flange, shown below 17d.
- 17f**: A trim piece with a flange, shown below 17e.
- 17g**: A trim piece with a flange, shown below 17f.
- 17h**: A trim piece with a flange, shown below 17g.
- 17i**: A trim piece with a flange, shown below 17h.
- 17j**: A trim piece with a flange, shown below 17i.
- 17k**: A trim piece with a flange, shown below 17j.
- 17l**: A trim piece with a flange, shown below 17k.
- 17m**: A trim piece with a flange, shown below 17l.
- 17n**: A trim piece with a flange, shown below 17m.
- 17o**: A trim piece with a flange, shown below 17n.
- 17p**: A trim piece with a flange, shown below 17o.
- 17q**: A trim piece with a flange, shown below 17p.
- 17r**: A trim piece with a flange, shown below 17q.
- 17s**: A trim piece with a flange, shown below 17r.
- 17t**: A trim piece with a flange, shown below 17s.
- 17u**: A trim piece with a flange, shown below 17t.
- 17v**: A trim piece with a flange, shown below 17u.
- 17w**: A trim piece with a flange, shown below 17v.
- 17x**: A trim piece with a flange, shown below 17w.
- 17y**: A trim piece with a flange, shown below 17x.
- 17z**: A trim piece with a flange, shown below 17y.
- 18**: A trim piece with a flange, shown below 17z.
- 19**: A trim piece with a flange, shown below 18.
- 20**: A trim piece with a flange, shown below 19.
- 21**: A trim piece with a flange, shown below 20.
- 22**: A trim piece with a flange, shown below 21.
- 23**: A trim piece with a flange, shown below 22.
- 24**: A trim piece with a flange, shown below 23.
- 25**: A trim piece with a flange, shown below 24.
- 26**: A trim piece with a flange, shown below 25.
- 27**: A trim piece with a flange, shown below 26.
- 28**: A trim piece with a flange, shown below 27.
- 29a**: A trim piece with a flange, shown below 28.
- 29b**: A trim piece with a flange, shown below 29a.
- 29c**: A trim piece with a flange, shown below 29b.
- 30**: A trim piece with a flange, shown below 29c.
- 31**: A trim piece with a flange, shown below 30.
- 32**: A trim piece with a flange, shown below 31.
- 33**: A trim piece with a flange, shown below 32.
- 34**: A trim piece with a flange, shown below 33.
- 35**: A trim piece with a flange, shown below 34.
- 36**: A trim piece with a flange, shown below 35.
- 37**: A trim piece with a flange, shown below 36.
- 38**: A trim piece with a flange, shown below 37.
- 39**: A trim piece with a flange, shown below 38.
- 40**: A trim piece with a flange, shown below 39.
- 41**: A trim piece with a flange, shown below 40.
- 42**: A trim piece with a flange, shown below 41.
- 43**: A trim piece with a flange, shown below 42.
- 44**: A trim piece with a flange, shown below 43.
- 45**: A trim piece with a flange, shown below 44.
- 46**: A trim piece with a flange, shown below 45.
- 47**: A trim piece with a flange, shown below 46.
- 48**: A trim piece with a flange, shown below 47.
- 49**: A trim piece with a flange, shown below 48.
- 50**: A trim piece with a flange, shown below 49.
- 51**: A trim piece with a flange, shown below 50.
- 52**: A trim piece with a flange, shown below 51.
- 53**: A trim piece with a flange, shown below 52.
- 54**: A trim piece with a flange, shown below 53.
- 55**: A trim piece with a flange, shown below 54.
- 56**: A trim piece with a flange, shown below 55.
- 57**: A trim piece with a flange, shown below 56.
- 58**: A trim piece with a flange, shown below 57.
- 59**: A trim piece with a flange, shown below 58.
- 60**: A trim piece with a flange, shown below 59.
- 61**: A trim piece with a flange, shown below 60.
- 62**: A trim piece with a flange, shown below 61.
- 63**: A trim piece with a flange, shown below 62.
- 64**: A trim piece with a flange, shown below 63.
- 65**: A trim piece with a flange, shown below 64.
- 66**: A trim piece with a flange, shown below 65.
- 67**: A trim piece with a flange, shown below 66.
- 68**: A trim piece with a flange, shown below 67.
- 69**: A trim piece with a flange, shown below 68.
- 70**: A trim piece with a flange, shown below 69.
- 71**: A trim piece with a flange, shown below 70.
- 72**: A trim piece with a flange, shown below 71.
- 73**: A trim piece with a flange, shown below 72.
- 74**: A trim piece with a flange, shown below 73.
- 75**: A trim piece with a flange, shown below 74.
- 76**: A trim piece with a flange, shown below 75.
- 77**: A trim piece with a flange, shown below 76.
- 78**: A trim piece with a flange, shown below 77.
- 79**: A trim piece with a flange, shown below 78.
- 80**: A trim piece with a flange, shown below 79.
- 81**: A trim piece with a flange, shown below 80.
- 82**: A trim piece with a flange, shown below 81.
- 83**: A trim piece with a flange, shown below 82.
- 84**: A trim piece with a flange, shown below 83.
- 85**: A trim piece with a flange, shown below 84.
- 86**: A trim piece with a flange, shown below 85.
- 87**: A trim piece with a flange, shown below 86.
- 88**: A trim piece with a flange, shown below 87.
- 89**: A trim piece with a flange, shown below 88.
- 90**: A trim piece with a flange, shown below 89.
- 91**: A trim piece with a flange, shown below 90.
- 92**: A trim piece with a flange, shown below 91.
- 93**: A trim piece with a flange, shown below 92.
- 94**: A trim piece with a flange, shown below 93.
- 95**: A trim piece with a flange, shown below 94.
- 96**: A trim piece with a flange, shown below 95.
- 97**: A trim piece with a flange, shown below 96.
- 98**: A trim piece with a flange, shown below 97.
- 99**: A trim piece with a flange, shown below 98.
- 100**: A trim piece with a flange, shown below 99.
